

WHO WE ARE

The Mount Rushmore National Memorial Society has been supporting Mount Rushmore National Memorial since work on the mountain first began. We are one of the nation's largest and oldest National Park Service friends organizations, raising millions for facility improvements and promotional events since 1930.

Some of the highlights of our partnership with the park include the following.

- Serving as the first gift shop concessionaire in the 1940s
- Embarking on a nationwide Preservation Fund campaign in the 1980s which raised \$25 million and spurred a total of \$56 million in facility improvements
- Funding the redevelopment at Mount Rushmore in the 1990s which included a \$17 million parking facility still operated by the Society today
- Creating the annual Independence Day Celebration fireworks display viewed by millions via satellite

Since 1993, we have also served as a cooperating association under the Mount Rushmore History Association, operating three bookstores in the park and the Mount Rushmore Audio Tour. Sales from these outlets have supported educational programs and products for the memorial. The Mount Rushmore Institute is another division of the Society, serving as a forum to advance the cause of freedom and the principles of democracy. You, too, can be a part of our mission by becoming a member of our organization.
